I \_\_\_\_\_ (Consignor) dated \_\_\_\_\_ grant Market Auction the exclusive right to sell his/her property at auction. Market auctions will charge client \_\_\_\_\_ commission which will be deducted from the total sale. If item(s) do not have a previously discussed reserve (minimum sale price), a Market Auction representative will set the price. By signing this contract Consignor agrees to pay 1.5% insurance of coverage on the reserve/net amount per item. If consignor requests not to pay this fee, sign \_\_\_\_\_. If insurance is declined Market Auctions will not be liable for any items damaged, stolen or lost while in Market Auction possession. Payments will be paid to client 35 days after sale on condition merchandise is paid in full by buyer. Withdraw penalty will carry a 25% fee of reserve price if item(s) are removed once this contract is signed. Market Auctions does not guarantee selling of the property. All estimates and reserves are opinions and should not be construed as a guarantee of an item selling. Market Auction is not obligated to legally enforce payment by any buyer of the property.
